

Earth Day observance

Source: **The Sangai Express**

Imphal, April 21 2012: As part of World Earth Day 2012 observance the People for Animals, Thoubal, Manipur has planted fruit bearing tree saplings around Keinya Girls' High School, Manishang Primary School and New Ideal High School, according to a statement. The pre-Earth Day observance with the theme Mobilise the Earth was also marked by slide presentation on pollution caused by polythene/plastic on river water which was held at New Ideal High School, it stated. A pamphlet 'make a pledge' was also distributed among the students. The main observance function will be held on April 22, it added.
